Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This Amendment is submitted in order to correct for the numbering of elements in Figure 1B for the above-referenced application. Submitted herewith is a copy of the figure with the proposed changes made in red ink. Applicants request that the corrected Figure 1B be entered in the application upon approval.

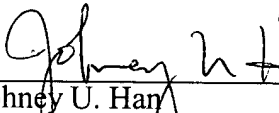

Accompanying this Amendment is a Submission of Formal Drawings which reflect the proposed changes made to Figure 1B in anticipation of approval of the changes.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 373722001600. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
